

About St Michael's Community Services

We are a group of volunteers who visit Central Station and Martin Place, Sydney on Wednesday nights and Liverpool Park every second Thursday night, to feed our friends, the needy. Our aim is to build a trusting relationship that reflects our Christian values.

The relief, gratitude and friendship of the people we connect with are our reward.

No one chooses to be on the street; we look into their eyes and see the person inside. Each has a story. We know many of the regulars by name, their likes and dislikes!

We are blessed to meet so many of our friends, friends who have real challenges. The positive comments we receive from them fill us with the hope that we can make a difference in their lives.

Our Motivation emerges from the Holy Bible

For I was hungry and you gave me something to eat, I was thirsty and you gave me something to drink, 'Lord when did we see you hungry and fed you, or thirsty and gave you something to drink? The king will reply, 'Truly I tell you, whatever you did for one of the least of my brothers and sisters of mine, you did for me.'
